As The Baby Planners, moms, and shopping enthusiasts, we're always on the lookout for fab new finds... we look forward to sharing them with you here!

Earthentree

In a world full of electronic, noisy, and complicated toys, we're thrilled to have discovered Earthentree. These all natural wooden toys are eco-friendly, lead-free, and handmade in India. What we love is their simple, classic designs and beautiful colors. Whether it's their music makers, rattles, or stackers, this is one educational toy company you'll love as much as your little one does.

Emily Green

The Emily Green line of products – from place mats to place settings – is a fun, fabulous, and refreshing way for your kids to dine. Emily's simple, colorful artwork will inspire your little ones to eat, imagine, make a mess, and even clean up in style. The company motto is "a brand of imagination," and we can't imagine mealtime without it.

Coverplayard

Coverplay is a unique, patented slipcover created to freshen up the look of your typical, portable play yard. Mom-creator Allison Costa found that with two little boys, keeping her play yard clean and germ-free was a constant challenge. Her ingenuity led to this 100% washable product that comes in fun, stylish fabrics and colors. We're big fans!

The PouchMISS

We've heard from many of our clients that one of their biggest new-mom challenges is finding the perfect diaper

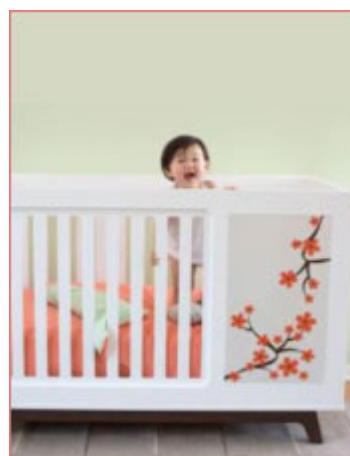

bag. Whether it's an issue of style or functionality, some have found making the transition from their stylish go-to bag to diaper bag a tricky one. That's why we love the PouchMISS: a unique, handbag organizer that you slip inside your favorite handbag to transform it into an organized diaper bag. Created by an Aussie Mommy, The PouchMISS comes with 9 pockets to hold everything from your phone to your sunscreen, and has a roomy internal area for storing baby essentials. Not too shabby, mates!

This innovative line of kids' furniture can be summed up in one word: AMAZING! Okay, three more words: fun, stylish, and eco-fabulous! Inspired by the Zen concept of Mu, which teaches there is no difference between our environment and us, this line includes cribs, nightstands, dressers, and storage units all made in the U.S. with a commitment to sustainability. The custom Muu design panels are magnetic, and can be personalized and easily changed to suit you and your child's ever-growing interests. The soothing graphics, colors, and fonts ensure that there's a Muu for you in this unique collection.
